

DPD-8877-59

30 December 1959

25X1A5a1

Dear [REDACTED]

Based upon information contained in your note of 18 December 1959 in which you advised that it is improbable that [REDACTED] [REDACTED] would be needed for the program within the next two years, we are cancelling [REDACTED] Phase III clearance. We would be happy to reconsider at such time as you feel there is a need for his services.

SIGNED
